In addition, he was very approachable and always willing to answer all of my questions, regardless of how silly they were. Building relationships with his clients is definitely one of his many strengths, not to mention his knowledge of the industry. I just wanted to say a big thank you for getting me through this process, he has helped make my dream of owning my own property a reality. I would not hesitate to recommend him to friends, family colleagues and others. Thanks Perry! - **Vikki***
