Debbie was excellent. Her honesty and professionalism was so helpful in finding us our first home. As it took us 2 years to find the property we wanted, her persistence and patience made us feel so comfortable to do our business with her. We will happily continue to do our Business with her to ensure that if our situation changes at all, we can keep getting the best deal we can with our loan.

Charissa is a wonderful human being, she is kind, patient and trustworthy. She provided exceptional service because she is insightful and understood our needs from the get go, my wife says she's never met someone so dedicated to her client's needs. She always communicated and kept us in the loop with all the progress throughout the application process and even after we moved in, she made us feel comfortable because she always had our back.
