Catherine was amazing to deal with from the very first phone call to the lovely hamper I received when the property settled. She's a lovely person and her passion for property and finance showed when she went out of her way to help me look at properties to purchase and even came to an auction with me on a Saturday. I wouldn't hesitate to recommend her to anyone looking for a mortgage broker.

Cath takes the time to fully understand your personal financial situation, in order to save you money and provide the best options. She goes above and beyond to visit at time convenient to YOU - for us that was after 7.30pm when our children were all in bed. Finally, she is very thorough with all paperwork, and won't miss a thing, so you know she is completely across your situation and needs! An absolutely pleasure to deal with!

Clear and easy to understand explanations about the mortgage process. Worked hard to secure a competitive mortgage interest for me. Made the whole process run smoothly as I reside overseas and couriered documents to me in a very timely manner. Kept me up-to-date and informed during the whole process.
